North Union School District

Authorization to Administer Medication &
Permission for Self-Administration of Asthma Medication

To insure compliance with the Board policy for administering medication at school, the following procedure must be followed: ALL MEDICATION MUST BE DELIVERED TO AND FROM SCHOOL BY PARENT/LEGAL GUARDIAN IN THE ORIGINAL AND PROPERLY LABELED CONTAINER. The container must include the following information: student name, medication, dosage, time, route, and Physician. Written authorization and instructions must be provided by parent/legal guardian for all medication. The school staff shall have the right to contact the prescribing Physician to confirm or clarify medication instructions. The time of medication administration may need to be altered slightly to fit your student's schedule.

Student:__________________________________ Age:______________ Grade/Room:_____________

Prescribed By:_____________________________________ Phone:_______________________________

Name of Medication:_______________________________ Pharmacy:____________________________

Health Condition:______________________________________

Please give the above medication:

Amount:___________ Time:____________ Start Date:__________ End Date:__________

Amount Sent:___________________

If any medication is left after the last day of school it will be discarded within 24 hours.

Medication will not be given if it has expired or it has an improper label. Please check the container prior to sending.

I request that the prescribed drugs or medication be administered according to these written directions. I request that this medication be given by a qualified staff person. The student has experienced no previous side effects from the medication. I further agree that the school personnel may contact the prescriber as needed and that medication information may be shared with school personnel as needed.

☐ PERMISSION FOR SELF-ADMINISTRATION OF ASTHMA OR AIRWAY CONSTRICTING MEDICATION. Provided the above requirements are fulfilled (labeled with name, medication, dosage, route, time and Physician, and written authorization and instructions are provided by the parent/guardian), a student with asthma or other airway-constricting disease may possess and use the student's medication while in school and at school-sponsored activities. If the student abuses the self-administration policy, the ability to self-administer may be withdrawn. I understand the school district and its employees acting reasonably and in good faith shall incur no liability as a result of any injury arising from self-administration of medication by the student. The student is responsible for maintaining a self-administration record.
