- B. Rights to Representation
  - 1. If, in the judgment of the Association, a grievance exists, the Association may process such grievance through all levels of the procedure, even though there is

no employee who wishes to do so. Class grievances involving more than one supervisor and grievances involving an Administrator above the building level may be filed by the Association at Step Three.

2. In matters dealing with alleged violations of the Association's rights, the grievance shall be initiated at Step Three.
3. The Association, on its own, may continue and submit to arbitration any grievances filed and later dropped by an employee, provided that the grievance involves the application or interpretation of the handbook.

#### C. Individual Rights

An employee may be represented at all stages of the grievance by himself/herself, or, at the employee's option, by an Association representative selected by the Association. If an employee is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the grievance procedure.

#### D. Procedure

##### 1. Step One:

An attempt shall be made to resolve any grievance in informal verbal discussion between the employee and the employee's Principal.

##### 2. Step Two:

Within a reasonable amount of time following the act or condition which is the basis of the grievance, the employee may present the grievance in writing to the immediately involved supervisor, who will arrange for a meeting to take place within ten (10) days after receipt of the grievance. The employee and/or the Association and the supervisor shall be present for the meeting. The supervisor shall provide the employee and the Association with a written answer to the grievance within ten (10) days after the meeting. Such answer shall include the reasons upon which the decision is based.

The parties in interest shall have the right to include in the representation such witnesses and representatives as they deem necessary to develop facts pertinent to the grievance. The number of days at each level should be considered as a maximum and every effort should be made to expedite the process. The failure of an employee or the Association to act on any grievance will amount to a waiver of the alleged grievance and act as a bar to further appeal of the grievance. An Administrator's failure to give a decision within the prescribed time limits shall permit the employee to proceed to the next step. The time limits may be extended by mutual agreement.

G. Personnel Files

All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.

  - b. Individual Career Development Plan (ICDP).
  - c. Any other standards and criteria established by the Board.
2. Intensive assistance may begin at any time but is not to exceed six (6) months in duration. When an employee is placed on intensive assistance, the following will occur:
  - a. A letter will be sent by the evaluator to the employee notifying the employee that the employee is being placed on intensive assistance.
  - b. A copy of the notification will be sent to Superintendent, provided to the employee, and placed in the employee's personnel file.
  - c. A conference will be held between the employee and the evaluator to develop an assistance plan that will include a specific statement of concerns related to one or more of the Iowa Teaching Standards, the Individual Career Development Plan, and/or District expectations and strategies to be applied in achieving the goals, intended timelines for the strategic actions, and the specific criteria for evaluating the successful completion of the plan.
3. The review of the employee in intensive assistance shall be conducted by the evaluator. At the conclusion of the designated timeframe, one of four recommendations shall be made:
  - a. The problem is resolved and the employee is removed from intensive assistance.

- b. Progress is noted, the timeline is extended, but may not exceed an additional six (6) months, and work continues in the assistance phase.
- c. The problem is not resolved and/or inadequate progress is noted. Action may then be taken by the District to: (1) terminate the employee’s contract immediately; (2) terminate the employee’s contract at the end of the school year; or (3) continue the employee’s contract for a period not to exceed one year.

F. Other Provisions

1. **Written Response:** An employee may add a written response to the employee’s three-year comprehensive report within ten (10) days after receipt of the report. Such written response must be presented to the evaluator and it will be attached to the report.
2. **Grievance:** An employee who disagrees with the employee’s evaluation may file a grievance as provided in this handbook. The intensive assistance phase (Tier 3) is not subject to grievances. Consistent with section 279.14(2) of the Iowa Code, the District is not required to arbitrate any pending evaluation grievance that was filed before or after the termination action was commenced.
3. **Personnel File:** An employee shall have the right to inspect and copy the contents of the employee’s personnel file under the supervision of the Superintendent or designee. Such inspection shall be limited to the contents dated after the employee’s employment with the District commenced.
4. **Representation:** An employee may have a representative present at any meeting involving the three-year comprehensive review or other evaluation conference.

SECTION 14 IN-SERVICE

A committee for in-service implementation will be established to determine the content and activities of District in-services. This committee will consist of all District Administrators and an equal number of employees to be selected by the bargaining unit. Each member of the committee shall have one vote, with a majority consensus required before implementation of the in-service activities. In-service activities for the up-coming school year should be determined prior to May 15 of the prior school year. Exceptions to this would be state or federally mandated in-services. Any variance from the agreed in-service plan must be approved by the majority of the committee. Cost of any in-service will be borne by the District.

## SECTION 17 ADDENDUM I – ACTIVITY DUTIES

Activity duties for ball games, concerts, plays, musicals, meets, etc., will be assigned on the basis of the philosophy that while North Union is ONE DISTRICT and no distinction is made on various residences, each of the three schools in the District has its own unique programs and differences. It is agreed by the District and the Association that the Administrators and/or Athletic Directors manage the rotation and assigning of those duties for the purpose of avoiding duty conflicts. The Association agrees to appoint a committee of three (3) to work with the assigners except when activity/activities occur that were not on the original calendar and time is a factor. The Administrator will have the final determination.

Each employee will work two (2) mandatory duty assignments to receive two (2) single activity passes for the employee and for one other designee (designation will be made at the beginning of the school year). Employees working three (3) duties will receive a family activity pass. Basketball duties that include two (2) junior varsity, or a C game and a junior varsity game, and two (2) varsity games being played in succession will count as 1.5 duties. Working two (2) of these events will count as the required three (3) duties. All other basketball events will count as one duty. Each elementary concert supervision will count as 1/2 duty. Unpaid sponsors who chaperone high school dances will receive credit for one (1) duty for each dance. At least one (1) week before the first home game of each of the three (3) major seasons, all employees will be informed of the season's assignments. The three (3) extra-duty assignments shall qualify the employee for a free pass to all local school activities for the employee and the employee's spouse and child(ren).

If after all employees have been assigned three (3) free duty assignments, and after support staff and patrons of the District have been offered the opportunity to participate as delineated above, workers for activity events are still needed, remaining events will be offered on a voluntary basis and shall be paid for at the rate of \$10.00 per event.

Payments for activity duties will be at the end of each season. Vouchers are to be given to the District secretary at the conclusion of the season. Payment for duties will be from the fund of the activity. Employees should not be assigned more than one duty per evening.

Seasons will be designated as follows:

Fall:	Football, volleyball, fall play, and fine arts activities.
Winter:	Basketball and fine arts activities.
Spring:	Fine arts activities.
Summer:	Baseball and softball.

It is agreed that bleacher and grandstand duties be eliminated.

Retiring District employees with a minimum of fifteen (15) years of service at North Union (including service at Armstrong-Ringsted and/or Sentral Community School Districts) will receive a free lifetime activity pass for the employee and employee's spouse.
